

Occoneetchee State Park

Marina Information

The Marina has 51 total slips, all with water and electric service. Available sites are listed below.

- 6 Transient slips for campers and cabin guests (one handicapped accessible)
- 24 Twenty-foot slips with 20 amp electric service (2 handicapped accessible)
- 18 Thirty-foot slips with 20 amp electric service
- 3 Thirty-foot slips with dual 20/30 amp electric service

Annual Slip Rental Information

- The park will accept applications for annual rentals through February 15 of each year.
- Applications available at the park or on the internet: www.virginiastateparks.gov
- Rental period will be March 1 to last day of February of each year.
- Applicants will be selected by random drawing for each type of slip
- Payment of annual slip fee and compliance with rules and regulations guarantees customer the opportunity to renew slip rental annually. The park will decide if additional rental renewals will be available based on public demand for slips.
- In the event that demand exceeds supply the Park will maintain a waiting list of applicants and by random drawing select new applicants by March 1 of each year.

Fuel Dock and Marine Pump Out services are located at the boat rental area. All fuel sales are “pay-at-the-pump”. We serve only 87 octane ethanol-free gasoline. Marine pump out and fuel
